Directions

Use prior to, and/or after paraffin application for added moisturization. Can also be used as a daily intense moisturizer.

Ingredients:

Capylic Capric Triglyceride, Cetyl Alcohol, Cetearyl Alcohol, Glyceryl Stearate SE, Aloe Barbadensis Leaf Juice, Polysorbate 60, Sorbitan Stearate, Glycerin, Octyl Palmitate, Butylene Glycol, Sodium Hyaluronate, Hydrolyzed Soy Protein, Simmondsia Chinensis, (Jojoba) Seed Oil, Polysorbate -80, Phenoxyethanol Caprylyl Glycol, Citric Acid.

Ultra-rich, soothing formula enriched with sovbean oil & aloe

8 fl. oz. (237mL)

This soothing moisturizer is specially blended to work with the heat of the warm paraffin treatment leaving skin soft, and hydrated, with no greasy residue. With no added fragrance, this cream is gentle enough for sensitive skin.
